
The International Journal of Periodontics and Restorative Dentistry

manuscript: 552

Root-Analogue Zirconia Implants: True Anatomic Design for Molar
Replacement. A case report.

Date submitted: 2009-11-03

Decision date: 2009-12-21

Decision: Accept

Decision letter:

Dear Professor

It is a pleasure to inform you that the above manuscript is acceptable for
publication.

Thank you for taking the time and making the effort necessary to
accomplish such a fine result. I hope that you will continue to consider
The International Journal of Periodontics & Restorative Dentistry for
publication of your studies in the future.

In order to publish your article, we will require high-quality nondigital
images or high-resolution digital image files (on disk). For more
information about image quality requirements, please see the Guidelines
for Authors.

Please send the images clearly marked with your name, article title, and
manuscript number—to:

Managing Editor
International Journal of Periodontics and Restorative Dentistry
Quintessence Publishing Co, Inc
4350 Chandler Drive
Hanover Park, IL 60133

Yours sincerely
Myron Nevins
